

Get into the Spirit!

The following pages will provide you with an overview of all of the items we are offering along with sizing charts and an order form.

We know how GREAT our GC kids and families look in our gear and we always get fantastic feedback about the impact we have when we attend competitions donning our snappy attire. So jump-into some of this great gear. We have taken great care to find items that are fashionable, comfortable and of the highest durability and quality. In all likelihood you'll outgrow these before they wear out!

We are very happy to introduce the newly designed practice t-shirt and feis practice skirt to our assortment.

Fashion, Fun & Fundraising

A percentage of the purchase price of every item of spirit wear sold goes towards the Oakville Irish Dance Association's and the Emerald Isle Dance Society's fundraising campaign. These funds, along with funds gathered from other fun events and activities throughout the year are used to support our entire dance community and every dancer in the school. So... in addition to looking great you can feel great, too!
